## Kick Start Program

Perth Bayswater 13 March 2008

5.00pm – 6.30pm (for all players)

(Coaches from 4.45pm for briefing)

This year RugbyWA have introduce a **Kick Start** program to help each Junior Rugby club with their development on and off the field.

The Smarter than Smoking Development Team & Coach Education Manager will be coming out to assist all Perth Bayswater Players & Coaches with training drills and answer any questions your coaches might have. Club coaches will be provided with session plans to assist with the session that will be divided into three groups of Under 8's and below, Under 9's to Under 12's and Under 13's to under 16's. At the completion of the practical session with the players, **all coaches** will have access to Matt Tink for a coach education seminar (**6.30pm – 7pm**) explaining the coaching techniques we use and how to implement them for each age level.

## Merchandise

Unfortunately our socks & shorts won't be available this week at training as we have had a supply issue. In fact it is a sizing issue & I am unable to get into the city to sort it until Friday. However we will absolutely, for sure, have stock available for training on the 20th (for those that are training), or after the Easter break for those that are not.

## Grading

1. Team grading for U11 to U14 is being controlled by Rugby WA. Three grading games will be played (5<sup>th</sup> April, 12 April and 3 May 2008) to decide if a team will be playing in the **Swan** division or the **Gold** division of their age group.
2. At Perth Bayswater there will be no A, B or C side as such in any junior age groups, teams will be as evenly matched as possible/ practicable given the multiple playing locations.
3. It is a team grading and not an individual player grading.

### U11's information

Parents of U11 children,

Can we have all parents please meet at 5pm at training on Thursday the 13<sup>th</sup> of March. There is some information that needs to be handed out and also we need to know if everyone is receiving their News Letters.

## CHAIRMAN'S NOTE

I would like to welcome everyone back to Perth Bayswater Juniors for the 2008 season. For all the new players and families we extend a special welcome. You will find that Perth Bayswater is not only known for being one of the best run clubs in WA but is also renown for it's friendly club spirit and sportsmanship. We as a club focus on making rugby fun for our players combined with the development of the right skills, attitude and fitness levels. The committee has been hard at work over the summer months getting things organised so we can be prepared for the start the season. Coaches and managers have been appointed for most grades and we thank these hard working volunteers for giving up their time to help in the development of our children. A special thanks to Dean Carlisle & John Taylor for the work they put into the recruitment of coaches and the development of the coaching policy.

The canteen is our main source of revenue and helps keep our fees very low. Without this source of income the fees would be double what they are now so when it comes to your team's turn to do its once a season canteen duty, please step up to the plate. It's not the committee, coaches or managers job to do the canteen roster. It's the parents & guardians responsibility to fill this roster so when your team manager approaches you to volunteer please step forward. Thanks to all the people who helped out in the canteen with the pre-season matches which raised valuable early season funds for the juniors.

Please feel free to approach me during the season with any questions or issues you have regarding the juniors. Good luck everyone and remember the club motto "The Best with Pride".
