MATCH REPORTS - Round 1

U 16'S PB 24 def Southern Lions 3

The long awaited start to the season was greeted with grey, overcast skies and drenching rain, which made conditions difficult for all throughout the preparation and well into the game. The determination and desire to achieve a positive result was evident from the outset of the warm up and despite the conditions the boys' spirit and expectations were not dampened. They showed a clear sense of purpose and they were focused on beginning the campaign well.

The game began slowly with both teams feeling each other out, and was a defensive tussle for the first 10 - 15 minutes, with neither side able to grab a clear ascendancy. Our boys were able to maintain their discipline and structure and looked most likely to breach the opposition defense if the ball had stuck in hand on a couple of occasions. On the back of unrelenting pressure we finally crashed over the line to open the scoring and then followed with another quick try to go into half time with 12-3.

We came out in the second half determined to keep the pressure on and managed to cross the line twice more whilst keeping Southern Lions pointless.

The win was heartening as everybody contributed and played for the team. Skills were a little rusty at times, but a few weeks into the season this will be rectified. A fine effort by all, but special mention needs to be made of Ben Foreman's performance which was outstanding.

Thanks to the parents and players who helped in the canteen. The club appreciates your efforts.

U 14'S

PBRUFC U14 V Wanneroo Green Field C Brittonia Kick off 8.30
Result : Dominant win to Wanneroo Green

The first game of the season provided our boys a real reminder of the quality sides that exist in the Gold Competition

Wanneroo Green were always going to be an extremely tough ask for our boys.

Last years finalists were simply too good at all levels and our boys were really left high and dry.

A consolation try came early in the second half to ensure we didn't go down scoreless.
We certainly got some tackling practice.

The game should be seen as a positive boys because it highlighted where we need to focus our attention and the level of skill and professionalism we need to attain.

Dont take the outcome to heart, lets focus on what is going to be a long and tough season and determine our own path to success.

Lets regroup and go hard this week

Commendable efforts from Toby, Gary, Ry, Sonny, Keone
