As no one has come forward as Canteen manager the three parents on from 10 am until 11am for set up will need to see Tanya in the canteen on the 26th of June at 5:20pm so as she can show what needs to be done.

MATCH REPORTS

U16's Round 4 PB 48 def Scotch 10

This was a game which pitted us against a team we imagined we would have the measure of, yet 20 minutes in the game was a dour struggle and the score was locked at nil all.

In the next 15 minutes however Nate put on a devastating display of class rugby to wipe out any vestige of hope the opposition may have had of an upset victory. In this short space, he crossed for 3 solo tries and his example inspired the rest of the boys to raise their collective effort for the remainder of the game to run out convincing winners.

Each week we see improvements in ball handling, cohesion and fluidity of movement and our superior fitness has allowed us to run out games, and capitalise when our opponents tire and make mistakes. There is still room for improvement but the boys endeavour can't be faulted.

At this point of the season it is worthwhile commenting on the efforts of our front row. This year we have had the luxury of being able to change the front row at half time and each and every one of these boys is giving their all in grinding down the opposition. Keep the standard up boys.

U16's Round 5 PB 50 def Palmyra 0

Over the past few seasons we have had the edge over Palmyra and we approached this game quietly confident that we could account for them this season.

The most pleasing aspect of this game was the expansive running and passing that the boys employed throughout the game. Strong forward play allowed each and every back the opportunity to foray forward at speed and it was great to see the boys using each other to move the ball with width and at pace.

Another positive was the the resolute defence of the line on the rare occasion Palmyra mounted any attacking move and the ability of the forwards to generally control the game.

Again the boys endeavour could not be faulted and their discipline remained tight throughout the contest. There is still room for improvement in ball handling, but overall it was another honest team performance.

BJ turned in his best performance of the season, and his rapid improvement playing at prop is proving a great benefit to the team. Ethan's goal kicking technique and confidence is steadily improving and he slotted 5/8 for the game.

Unfortunately a couple of our lads have copped head knocks over the past 2 weeks and we hope that they suffer no ill effects.

U7's White

Joondalup kicked-off to start the game and our U7's looked dominating from the start with Logan scoring the first try as he dived over the line. After a great pass by Lachlan, Reesjan was able to run away from half line, 2-0 for the Baysies!

Not long after the Numbats had the first line-out with Mercy throwing in and everyone worked hard which led to Lachlan scoring Bayswater's third try.

Joondalup tried hard coming back into the game but our team showed outstanding defence with Lachlan, Logan, Reesjan, Reuben, Connor and Tomy tagging for their lives, it was brilliant to watch! Logan had the throw in for Baysie's second line-out which created a great opportunity for Maxi to run off and score again. The U7's also got to practice their scrum with Logan, Connor and Kaylan making up the front row and Reuben feeding the ball. There were 2 more tries during the first half scored by Logan and Reesjan and Perth-Bayswater led 6:0.

Although Joondalup managed to get themselves on the scoreboard our Numbats were simply too good and their ability to tag and get back-on-side was sensational! Mercy, Connor, Angus, Max and Tomy all showed abilities during scrum time and Reuben had a brilliant run at the line, offloading just in time, try time again! And again! And again! And again! The Baysie team showed exciting ball handling skills numerous times and to finish off the day Reuben managed to do a long pass to Reesjan who scored the last try of the game, Perth Bayswater winning 11-2.

Special thanks must go to Angus and Kaylan who help out the Joondalup team as they were short of players!

Tries: Reesjan 4, Logan 2, Lachlan 2, Maxi 1, Connor 1, Mercy 1

Players of the Day: Reueben and Lachlan, well done!
