Message from RugbyWA

This is a reminder prior to the grading games and season start, to ensure that your coaches, managers and particularly players are all aware of the level of behaviour expected by RugbyWA during matches at all times.

Please remember that verbal abuse towards anyone participating in any match, from any bystander or other participant in any capacity is strictly not tolerated. If you could also please remind your players that red cards have a consequence; and that is fronting the judiciary to have any case heard from red card incidents. Please ensure that your players are all aware that negative actions are also strictly not tolerated.

Playing in the spirit of rugby is a fundamental aspect of our sport and is what sets us apart; we are all part of a vision to encourage our kids to participate and enjoy rugby each time they play and to hold a high level of respect for their sport and club. It would be very disappointing to see any red cards or Code of Conduct arise from the grading games, or indeed from the season itself. I am hoping we can improve upon our record from the last couple of years and avoid as many incidents as possible.

**Junior Competition Coordinator
RugbyWA**

- Put **Thursday April 29** in your diary as an opportunity to chat with the Junior Chairman regarding the season and direction of the Club. This will be your chance to become more aware about your child's rugby club and give some feedback.

CANTEEN ROSTER

Please refer to the below Canteen Roster. Remember this is a **big** money raising opportunity for the Juniors and every person helping in the canteen is helping the club keep fees reasonable and equipment up to date.

I am hoping that you will be rostered only once during the season, however if you have children playing in different grades and if team numbers are small, you may find yourself rostered twice.

As much as possible, Coaches and Managers will not be rostered as they have enough on their plate, which I am sure you would agree. One or two of them may however, have children in other grades and may have to fulfil a roster for that team.

Please make yourself available for the roster on your given day and if you are unable to fulfil the timeslot, it is up to **you** to arrange a substitution or swap from your team (grandparent, aunt, uncle.....). **Please don't just not turn up** as it becomes very unfair to those who have. The canteen cannot work with only one person running it.

Things to Note:

- Canteen will be stocked and ready in the morning, and at the end of the day, shut down by a committee member.
- **Always wear closed shoes for safety reasons.**
- As there is hot oil etc, it is requested that no young kids (under 12 and below) are to be in the canteen.
- Instructions on prices and what is available are in the canteen.

Thank you for your cooperation and your assistance in greatly appreciated. It's the parent's support that makes Perth Bayswater Juniors a great club to be a part of.
