Message from RugbyWA

Please find above the Grading Games draws for this Saturday 24th April 2010, these are for U11 to U14 only, there are NO more U15 grading games.

Games will be run in the same format as last Saturday.

Just a few points to remember please:

- If teams are short for matches, do try and match numbers- even if it means the team that is short borrows a couple of players and make a note of it on the team sheet for us. We are aware of these kinds of factors and do try to grade accordingly. It is a tricky time of year numbers wise and we are all trying to work together for maximum participation.
- A reminder about referee abuse and participants/ spectators – well done to all of those who had a very good weekend last Saturday and for the most part, the outstanding behaviour of all participants. Please just keep in mind again for this week, as always, that abuse of any kind from anyone directed at anyone is not tolerated. And also that player behaviour is paramount during matches.
- *If you could please also ask your U11's that are last on all fields again this week, to ensure they pack down one half of the field each and **leave the field dress next to the sign that corresponds with their field.***

Junior Competition Coordinator
RugbyWA

- Put **Thursday April 29** in your diary as an opportunity to chat with the Junior Chairman regarding the season and direction of the Club. This will be your chance to become more aware about your child's rugby club and give some feedback.

CANTEEN ROSTER

Well, we have had two weeks of the Canteen Roster for the Juniors during the Senior's Home Games. There have been some fantastic efforts and some that need a little work!

Please remember that it is up to you to find a fill-in if you can't do your roster - it is not fair to email and say you can't turn up - or just not turn up. Everyone realises that life is busy so let's all show respect to others and not offer the excuse that you don't have time or are too busy - it is only just over an hour that you will be rostered. Contact other people in your team to cover your slot or family members.

Remember this is a **big** money raising opportunity for the Juniors and every person helping in the canteen is helping the club keep fees reasonable and equipment up to date.

The next roster is for 8 May and as soon as the draw is out, a roster will be emailed to those who have been allocated time slots as well as appearing in the newsletter. Your team managers will also be passing on the information.

Thank you for your cooperation and your assistance in greatly appreciated. It's the parent's support that makes Perth Bayswater Juniors a great club to be a part of.
