## JOONDALUP ROUND ROBIN CARNIVAL - U9'S PLATE WINNERS

On Saturday 10<sup>th</sup> July 2010, we found out on arrival that one of the U9's team pulled out of the comp at the last minute (Southern Lions). At that point we didn't realise how that would impact us immensely (15 min halves) for future games.

Our first game was hard and physical against Kalamunda, we lost but not by much. The team turned around and had to play a second game straight after with no break, a fresh Wanneroo thundered over us with a tired Bayswater unimpressed.

We regrouped with our eyes set on winning the plate with a decisive win over north Coast we were in the finals with Mandurah.

The boys brought their **A** game with the forwards Rapu, Isaac, Lyndon, Kaeya, and Keanu smashing it up and blowing it out just then a loose ball and Kaeya is on it and he goes in for a try. The backs were just as effective as Taj the captain organised his back line Jayden, Ben, Isaiah, James and Kalani. You are all super stars and team work wins the game.

A special mention must go out to our full back James for his outstanding tackling, well done Buddy.

In the dying minutes we were all tied up on 3-3. Mandurah are on attack, we were strong on defence and the boys turned the ball over to James and he makes the break and off loads the ball to our big man Keanu, we score on the siren 4-3 to Bayswater.

All and all a great finish to a long day full of ups and downs, thank you parents and all those who supported our team.

**FANTASTIC WORK BOYS.** John.
