The Perth-Bayswater Twilight Tens team

President's Report

President Steve Fink

Welcome to the 2001 rugby season. Welcome back to all our existing members and a special welcome to the new members especially our new players and coaches.

In 2001 we will strive to continue to improve our club environment and to make it a place where we can enjoy our rugby on and off the field. Over the summer break your committee worked

on establishing some challenging goals for the year which encompass several areas. A summary of these goals are published in this newsletter and they are displayed in the clubrooms.

Our objectives are:

- 1) To improve our competitiveness on the field both in the short-term and long-term through a focus on rugby skills and colts development.
- 2) To upgrade our club facilities with the first phase to start this year.
- 3) To continue to strengthen our reputation as a friendly and sociable club.
- 4) To operate on a sound financial basis.

We have set ourselves specific measurements for each goal and we need everyone's help if we are to meet these measurements.

The Twilight 10s Competition was very successful this year and we have looked good in the early scratch matches. Now the real competition is about to began.

Good luck to all players and officials. I hope we all have a very enjoyable rugby season.

Steve Fink
President

Round 1: Four out of six

FIRST GRADE LOSE CLOSE ONE

First grade went down 11-22 to Associates in a tight game at Morley Reserve. Playing in perfect autumn weather, the two teams exchanged the lead several times and there was just one point in it with ten minutes on the clock. In the final stanza, Soaks used their size to make telling inroads and scored two late tries for a late but deserved win. Soaks scored first, after fifteen minutes, when one of their loose forwards touched down behind the posts from a tap penalty. The try was converted. Within three minutes debutante flyhalf Michael Whitney kicked a penalty for a 7-3 scoreline. That remained the score for most of the half as Soaks enjoyed a long period of attack. Dogged defence by Perth-Bayswater and poor handling by Soaks deprived them of any further score and it was Perth-Bayswater that scored next when inside centre Brett Watson touched down from his own chip kick against the run of play. Perth-Bayswater led 8-7 at the break and until the mid stage of the second half when a big

outside run by Soaks' fullback brought them a try in the corner and a 12-8 lead. The boot of Michael Whitney restored the one point gap five minutes later with a penalty kick but two late tries to Soaks sealed the game for them 22-11. It was a good all round game for Perth-Bayswater although outweighed by the bigger Soaks outfit, with good support from the loosies and excellent defence for most of the match. The backs were inventive and sharp. Perth-Bayswater dropped two certain opportunities and the score flattered Soaks at the end of the day. Top games from Darren Murphy, flanker Gareth Cherrington, prop Ian and fullback Bronson Te Aute. Man of the Match was barging centre Dave Watene. The match was ably refereed by John Hill.

SOLID WIN FOR SECONDS

An uneventful first half with early-season mistakes and solid defence went without score until the dying minutes, when wing Steve scored for a 5-0 half time lead to Perth-Bayswater seconds. Three quick tries in the early part of the second half

wrapped the game up for seconds, with big loosie Fali scoring, an excellent backline attack across the width of the pitch resulting in a second try to wing Steve, and the final try to the ever-mercurial Gary Rutene on the other wing for a good 20-0 win. It was an excellent game despite some problems with ball retention. Best forward was Legs and Man of the Match was flyhalf Jason Ellery. A good win first up for coaches Darryn Pomare and Andy Keen. The match was well reffed by Barty Hallowell.

THIRD GRADE WIN SEASON OPENER

Thirds worked hard in the first half with two penalties to flyhalf Nathan Haturini gradually clawing back the lead after Soaks' early try which came from poor handling by Thirds, for a narrow 6-3 lead at half time. Coach Barry Guzder deployed the big guns in the second half with Hector George and Ken Porridge Angus coming on for some huge, barging runs. A penalty to Nathan Haturini took Thirds ahead 9-5 until Porridge drove over under the posts from a tap penalty and Nathan Haturini

converted for the match winning 16-5 lead. It was a good win with three forwards playing in the backs. Coach Barry Guzder thanked hooker Craig Robertson for a fine performance and named impressively mobile prop Dale Hewson as Man of the Match.

FOURTHS FIND EARLY FORM

Coach Mike Te Aute fielded a makeshift team for the season opener, as is usual in fourth grade, but with great contributions by some old stalwarts and some new finds, the team wound out an impressive 40-19 win. Tries were scored by lock Nathan Jacoby and wing Gary Rutene, two by hooker Craig Robertson, while flyhalf Steve Wharerau scored one try and kicked five conversions. Man of the Match was Nathan Jacoby.

FABULOUS FIFTHS STORM TO EARLY WIN

Again blessed by the incisive strategical talents of master coach Mike Jones, Filthy Fifths went from strength to strength in their opening game of the season, showing just what intensive pre-season preparation will do for a crack unit such as this. A try to centre Shalako started the ball rolling although Soaks replied with a converted try, but inside centre Tuma replied with a try, converted by Ian Hogg, for a 12-7 half time lead. A dazzling try by lock and athletic legend Wayne Japie Campbell followed, blazing a trail from half way, casting defenders off as he went, for a try that

may well go down in fifth grade history to wrap the game up 17-7. Coach Mike Jones claimed that despite the overtraining and the poor weather the scene has been set for the season and he is offering 3-1 odds on a grand final spot. Man of the Match was awesome flanker Dwayne Barr.

COLTS FACE UPHILL BATTLE

Colts unfortunately forfeited due to lack of numbers but played a game with some help from Soaks extras and the Under 17 team. Coach Bruce Mathieson is hopeful of picking up the numbers for a competitive season.

FROM THE INTERNET:

Rick,

I have enjoyed following your web site over the past year. I even followed your updates and your post game follow ups. I believe you provide one of the best web sites a rugby club has to offer. At work I took the liberty of sharing the virtual pub crawl with my co-workers. I am cardiothoracic R.N.- To plainly state it I who work with open heart surgical patients, heart attacks etc, etc. We enjoy pub crawls via internet at 2am.

I lived in Perth for eight years. Played rugby at Wesley college (what an uptight school) and played rugby league a South Perth. Now I am here in U.S.A. were rugby is foriegn language. I currently coach rugby at the Southern Oregon University. Unfortunately I do not play due to the significant number of soft cocks that exist in this country. Rugby exists but unfortunately not around were I live.

My wife and I have been considering returning to Perth. With my interest in Rugby I came across your website and appreciated what it had to offer. Wish you, your family, and Perth Bayswater the best.

A man in his 40's bought a new BMW and was out on the interstate for a nice evening drive. The top was down, the breeze was blowing through what was left of his hair, and he decided to open her up. As the needle jumped up to 80 mph, he suddenly saw flashing red and blue lights behind him.

"There's no way they can catch a BMW," he thought to himself and opened her up further. The needle hit 90, 100.... then the reality of the situation hit him.

"What the hell am I doing?" he thought and pulled over.

The cop came up to him, took his license without a word, and examined it and the car. "It's been a long day, this is the end of my shift, and it's Friday the 13th. I don't feel like more paperwork, so if you can give me an excuse for your driving that I haven't heard before, you can go."

The guy thinks for a second and says, "Last week my wife ran off with a cop. I was afraid you were trying to give her back."

"Have a nice weekend," said the officer.

One day when the teacher walked to the black board, she noticed someone had written the word 'penis' in tiny letters. She turned around, scanned the class looking for the guilty face. Finding none, she quickly erased it, and began her class. The next day she went into the room, and she saw, in larger letters, the word 'penis' again on the black board. Every morning, for about a week, she went into the classroom and found the same disgusting word written on the board, each day's word, larger than the previous day's word. Finally, one day, she walked in, expecting to be greeted by the same word on the board, but instead, found the words: "The more you rub it, the bigger it gets!"

RUGBY LEAGUE -- A PAIN IN THE ARSE OR WHAT?

- Have you heard John Hopoate is changing codes? —He has just signed with Arsenal.
- Have you heard John Hopoate has been given a job in the Tigers clubrooms while he is on suspension? — He has to make sure all the stools are pushed in.
- Craig Field and Kevin McGuiness are appealing their suspensions on the grounds that they got 6 months for cocaine and ecstasy, and that Hoppa only got 12 weeks for crack.
- Have you heard John Hopoate has been signed for a new movie — Crouching Tiger ... Hidden Finger?
- What is John Hopoate's favourite dessert? Sticky Date Pudding.

The Bottom Line — thanks to Andrew Hine and Morley Alehouse for sponsoring the Twilight Tens
