*The intrepid Goose, star of Filthy Fifths, fends off yet another would-be tackler as the team demonstrates the benefits of many, many, many years of experience.*

Print Post Approved — PP638821/00031

# President's Report

A great result for the weekend against Uni with all teams winning their matches and we gained a bonus point in first through fifths. We need to build on this momentum to ensure we get all teams into the finals and beyond.

Congratulations to all players (seniors, juniors and womens) who have been named in

the State Teams. We have a very large number of younger players who are making a major contribution to the Club's success. Our 1st and 2nd grade teams have a much higher percentage of younger players than usual. The womens team is dominated by young players. Our Colts team is back on the winning track. We have four players in the State Under 21s — Mark Hill, Fulton Parakuka, Darren Murphy and Bronson Te Aute. We have 11 players in the Womens State Team. We have 15 junior players in State Teams and we have a very strong Under 17 team. If we continue to build on this base we will have a great future.

With only 6 weeks of preliminary round matches to go lets all now work to ensure that we do make the finals in every grade.

Good Luck!

## 1sts v ARKs

Missing key front rowers and suffering from complacency against the traditional easybeats from Kelmscott, FIRST GRADE made hard work of this game before grinding their way to an uncertain victory, 14-11. Flyhalf Matt Sefton put Perth-Bayswater on the board with a penalty kick and added a second after twenty minutes. Shortly after ARKs replied with a penalty of their own and before the break Matt Sefton added a third penalty for a 9-3 half time lead. The second half continued with inconclusive play, Perth-Bayswater suffering badly in the scrums but ruling the lineouts through the superb jumping of Darian Hildreth, and with aggressive forward play in the loose from Darren Murphy, Mike Johnston and Mel Heremia. ARKs kicked another penalty goal to bring them up to 9-6 and then with twenty minutes on the clock, scored a try cutting through some ineffective tackling out wide to go ahead 11-9. To Perth-Bayswater's credit they kept their composure and worked back down the field through strong loose forward play and the boot of Matt Sefton, eventually gaining a lineout close to ARKs line with five minutes remaining. The forwards drove over the line but the ball was held up. From a five metre scrum the loose forwards peeled off to the openside but were stopped short of the line. The ball was rucked back to the blindside where replacement flanker Matt Forster powered over for a try in the corner for a 14-11 score to Perth-Bayswater. Perth-Bayswater defended their narrow margin for the final five minutes for a close and nervous win. Coach Jamie Hohapata said the team had got out of jail after expecting to win an easy game, and suffered from poor preparation and poor training. He named inside centre Dave Watene as man of the match.

## 1sts v Rockingham

FIRST GRADE played their worst game to date, according to coach Jamie Hohapata, grinding out a 15-6 win over the lowly southern team. Leading 10-3 at half time, it was not until the second half that the team started to look like they had even got off the bus. Matt Sefton, who switched between flyhalf and fullback, scored all the points in the game, with two tries, one in either half and in either position, and also kicked a conversion and a penalty. The first try was scored when Matt came into the backline from fullback, received a dummy switch and went over the line. The second try was scored from flyhalf when Matt was backing up wing Martin Lealiifano. Jamie changed the backline around at half time to pick up the pace, which yielded results. Man of the Match was prop Glenn Nolan.

## 1sts v Cottesloe

FIRST GRADE fought out a low-scoring 3-3 draw with Cottesloe for both teams to walk away with a disappointing two points each from the encounter. It was a game of missed opportunities, missed kicks and duffed tries. The points came from a single Matt Sefton penalty for a half time lead of 3-0 to Perth-Bayswater. Despite dominating territory and possession the team lacked finish at crucial times and were over-eager when opportunities came their way. The result was a dull game with no satisfaction for either side.

## 1sts v Palmyra

FIRST GRADE looked nothing like competition finalists and managed to make a fairly average Palmyra side look good, in their 38-14 loss at Thompkins Park. Perth-Bayswater started well with a bold run by centre Fulton Parakuka which several rucks later found halfback Matt Tainui diving over the forwards

# Rugby

to score under the posts. Flyhalf Matt Sefton converted from in front, 7-0. At 15 minutes Palmyra kicked a penalty, followed five minutes later by referee Peter Hilgendorf putting his notorious stamp on the game with a ridiculous penalty try for a high tackle in the corner, giving Palmyra the lead 10-7.

At the half hour mark Palmyra kicked another penalty and within minutes finished off the half with a try from a simple overlap as the Perth-Bayswater back line was found out of position, a failing they exhibited all day. Palmyra led 18-7 at half time and the only thing more irritating than that was the constant bleating of the ground announcer. Palmyra have a PA system installed and felt compelled to get their money's worth by thrashing it to death with incessant drivel about their sponsors. Perth-Bayswater stiffened their resolve in the second half with some powerful charges off the ruck but too often went one pass too far and lost the ball. The backs consistently failed to make the advantage line although the Palmyra defence was offside as often as not. One such turnover led to Palmyra galloping 70 metres to the try line, followed half way through the half with another overlap try to give them a 28-7 lead. In the final stages Perth-Bayswater made several serious assaults on the Palmyra line, eventually prop Glenn Nolan crashing over for a try from a tap

penalty, converted by Matt Sefton for a 28-14 score line. Any hopes of a revival of fortunes were dashed as Palmyra replied immediately, profiting from a pointless bit of cleverness from the Perth-Bayswater backs. Defending in your own 22 is not the place to run a double switch move, especially when it results in the ball going to ground and the opposition scooping it up gratefully. To their credit, Perth-Bayswater continued to attack fiercely but the game ended on an appropriate note when the touch judge was suckered into a flag-out penalty when Palmyra's hippy fullback dropped to the ground in apparent need of a week in the intensive care ward after running into the Perth-Bayswater defence. The penalty given, he hopped to his feet blithely and returned to his position with a broad smile. A career in Hollywood beckons. A try was scored from the tap penalty giving Palmyra the 38-14 win. Perth-Bayswater forwards continue to perform while the back line, which is not without talent, fail to achieve cohesion and combination. Depressingly inconsistent refereeing from Mr Hilgendorf did not help. We don't ask that referees be perfect (only Webmasters are that) and we are grateful for the time and effort they put into the game but in first grade at least, their shortcomings cannot be above fair comment.

## 1sts v Kalamunda

FIRST GRADE battled gamely throughout the first half of their match against Kalamunda but trailed by 10-0 at half time. At half time coach Jamie Hohapata brought reserves on and changed the backline around, resulting in a new urgency in the Perth-Bayswater game in the second half. Halfback Hase Moore scored a try close to the posts, converted by Matt Sefton for a 10-7 score line before Kalamunda increased their lead with a penalty to go ahead 13-7. The half continued without further result until in the dying moments of injury time flanker Richard Anderson went over for a try under the posts and Matt Sefton made no mistake with the conversion for a last-minute, sensational 14-13 upset over the competition's number two team. Man of the Match was Hase Moore.

## 1sts v University

Although University competed strongly throughout, held more than their share of territory and dominated the scrums, Perth-Bayswater FIRST GRADE scored all the points in this game by taking their opportunities and defending tirelessly, to win 30-0. Flyhalf Jason Jerry started the scoring after ten minutes with a penalty and five minutes later wing Fulton Parakuka out-sprinted the opposition for a 30 metre run down the sideline to score for an 8-0 lead. Ten minutes after that flanker Mel Heremia scored in the opposite corner finishing off a back line attack and on the half hour wing Sean Baker finished off another back line move to score on the blindside, giving Perth-Bayswater a commanding 18-0 lead at half time. Dynamic halfback Matt Tainui started the second half with an intercept try and later in the half replacement looseie Richard Anderson grabbed a try joining in the back line out wide, converted by Jason Jerry for a 30-0 win. Man of the Match was wing Sean Baker. Ref Graham Hallowell was, as usual, accurate and consistent.

## 2nds v ARKs

SECONDS had a good win over an ARKs team with plenty of fight in them, 24-15. Seconds started scoring after ten minutes with a try to number eight Matt Forster, converted by flyhalf Jason Jerry to lead 7-0. Ten minutes later a big run by right wing Dwayne Rapley around the defence sent left wing Stu Te Wano over the line for an excellent try and a 12-0 lead. Five minutes later ARKs posted their first points with a penalty goal but just before half time flanker Ben Flavell charged over the line from a ruck for a third try, converted by Jason Jerry, for a good 19-3 lead at the break. In the second half ARKs were rewarded from an energetic attack with a converted try but Seconds went back on the offensive and after a sustained period of pressure scored a try to centre Richard Anderson. ARKs had the last word with a consolation try late in the game for a 24-15 win to Seconds. Coach Dave Proctor said the team was developing more continuity and with increasing experience would be a real force. Man of the Match was Ben Flavell.

## 2nds v Rockingham

Second grade completed a total demolition of Rockingham seconds, 62-0, although most of the Rocky players were backing up from third grade, which is never fun, and we hope they can get their numbers up soon.

## 2nds v Cottesloe

SECOND GRADE played a near perfect game against Cottesloe, scoring a massive 58-11 win. The team enjoyed excellent ball retention and used the ball well in a match where everybody clicked for one of the best games of the year.

# Rugby

## 2nds v Palmyra

SECOND GRADE were slow to start but rounded out their game for a worthy 46-15 win. Palmyra started with a penalty kick but after 20 minutes of play a slashing run by centre Hurley Waterson put his winger in for a try. Paly replied with an intercept, kicking ahead and recovering the ball on a fortuitous bounce to score and convert, to lead 10-5. Within minutes flyhalf Jason Jerry had kicked a penalty and another powerful run by Hurley Waterson, beating five Paly defenders, put hooker Andy Moorhouse over the line. Jason Jerry converted to regain the lead 15-10. Halfback Hase Moore kept the tries coming, bursting away from a ruck near half way and sprinting to the try line. Jason Jerry converted but just before half time Hurley Waterson was sin-binned for a tackle around the shoulders that the referee chose to call high. Seconds went into the second half leading 22-10 but still one man down, enabling Palmyra to score a try on the wing. Jason Jerry restored the ten-point buffer with a penalty kick ten minutes into the half, and Hurley Waterson celebrated his return to the field with two tries in quick succession, both converted by Jason Jerry, to blow the lead out to 39-15. Flanker Conrad

Kovacs, who held a reign of terror in the loose, finished off the game with a try, converted by Jason Jerry for the 46-15 win. Coach Dave Proctor felt it was not the team's best game, saying they did not respond well to Palmyra's early pressure, but came back strongly and were developing positively as a team. Man of the match was halfback Hase Moore.

## 2nds v Kalamunda

SECOND GRADE lost the closest of games to Kalamunda, 13-12. The team was rusty after a two week break and made too many mistakes. Coach Dave Proctor saw the loss as a wake up call with positive results in the long term. Tries went to Martin Lealiifano and Hase Moore, with a conversion to Keith Gualter. Man of the Match was Hase Moore.

## 2nds v University

SECOND GRADE steam-rolled University after a slow start to win 51-5. Although wing Keith Gualter scored after just one minute of play following a head-high tackle, the game fluctuated without score for half an hour until Uni went over following a series of forward charges to draw the score at 5-5. Shortly after fullback Martin Lealiifano scored on the blind side in the corner for a 10-5 lead, and ten minutes later inspirational halfback Hase Moore scored in second phase play, converted by Keith Gualter for a 17-5 half time score. After half time number 8 Richard Anderson went over in second phase play followed by a succession of tries to inside centre Shane Proctor, fullback Thomas Ngawaka, Thomas Ngawaka again, scoring behind the posts and Shane Proctor again, with Keith Gualter kicking two conversions for a towering 51-5 win. Man of the Match was lock Jason Bastaja.

## 3rds v ARKs

THIRDS scored a 24-14 win over ARKs in an underachieving game at Morley Reserve. Flyhalf Nathan Haturini kept all the scoring to himself in the first half, kicking two penalties and scoring a try after a series of charges on ARKs' line, and converting it, for a half time lead of 13-0. Nathan added another two penalties after half time before ARKs scored a converted try with a simple charge from a tap penalty. When ARKs were penalised and a player sent off for punching right underneath the posts, Thirds elected for a tap and Andrew Burne went over in the corner for a try to lead 24-7. ARKs came back for a series of tap penalties on Thirds' line eventually scoring a converted try to trail 24-14. The teams played out the final 20 minutes without score. Coach Barry Guzder named man of the match as centre Eddie Steinman but also noted an excellent performance by halfback Hase Moore.

## 3rds v Rockingham

Third grade drew 17-17 with Rockingham Thirds. Thirds were slow to start and never found top gear throughout the game. The backs played well but the forwards were off their game, although the team showed good discipline. Tony Ansell played well, as did Brendan and Lyndon McKeagg. Hooker Brendan McKeagg and flanker Mike Blair scored tries and Nathan Haturini kicked one conversion. Man of the Match was Lyndon McKeagg.

## 3rds v Cottesloe

THIRD GRADE lost to Cottesloe 20-13 in a game they should have won. The team went to sleep and lacked drive during this game, giving away penalties, missing tackles and performing poorly in the lineouts. Two tries were scored by massive prop Tane Tamehana while fullback Leon Bettson kicked two conversions and a penalty. Man of the Match was Tane Tamehana.

## 3rds v Palmyra

Third grade enjoyed a good 12-8 win over Palmyra, fullback Leon Bettson kicking four penalties. Thirds led 9-8 at half time. Coach Barry Guzder described it as a good team game, especially considering they had no reserves, and he thanked Alan Hill and Ken Porridge Angus at lock for helping out. Although thirds had 75 per cent of the territory they could not convert and bombed at least 4 tries. The game finished with a flourish with prop Henry Renata making a Greganesque try-saving tackle right on full time to drive the attacker out in the corner, which the Palmyra team seemed to object to on principle. The referee blew full time as a brawl ensued. Man of the match was Leon Bettson.

## 3rds v Kalamunda

THIRD GRADE played their worst game of the year to lose to Kalamunda 22-17, although Kalamunda started with only 12 men. Thirds played a complacent game with no cohesion and allowed the second-bottom team to steal the game from them. None of coach Barry Guzder's comments are printable.

## 3rds v University

THIRD GRADE started the game with a pushover try to hooker Peter McManus and continued with a try to wing Eddie Steinman, converted by centre Matt Sefton for a 12-0 half time lead. In the second half thirds dominated with their big forwards overpowering Uni. Inside centre Nathan Haturini scored when flanker Andrew Bartlett ran off a ruck, converted by Matt Sefton for a 19-0 lead. A big charge by number 8 Tony Ansell off a scrum put wing Eddie Steinman in for a try on the blind, converted by Matt Sefton and a pushover try followed, claimed by Tony Ansell and converted by Matt Sefton to lead 33-0. Tony Ansell finished off the game with a try from a 5 yard scrum, converted by Matt Sefton for a good 40-0 win. Man of the Match was Eddie Steinman.

# Rugby

## 4ths v Cottesloe

An increasingly composed FOURTH GRADE scored a good 26-10 win over Cottesloe. Tries were scored by early replacement Lyndon McKeagg, halfback Justin Sneesby, flyhalf Haami Reti and inside centre Matt Cottle. Centre Steve Wharerau kicked three conversions. Coach and prop John Reti said the game was more low profile than their recent outings and lacked the killer instinct. He named Lyndon McKeagg as man of the match.

## 4ths v Murdoch

Fourth grade were forced to forfeit to Murdoch as a number of the players were unavailable this week.

## 4ths v Cottesloe

FOURTH GRADE defeated Cottesloe 40-18.

## 4ths v Palmyra

FOURTH GRADE forced a 12-12 draw in their game against Palmyra, trailing for most of the game. They came back from 12-0 down to be 12-5 with a try in the second half. Shortly before full time they scored a converted try to seize the draw.

## 4ths v Western Suburbs

FOURTH GRADE lost to Wests 23-14.

## 4ths v Nedlands

FOURTH GRADE ran in a handy 48-12 win over Nedlands, although with most of Neddies first grade on state duty their fourth grade a makeshift team. Nonetheless it was a torrid game with good performances from all the team. Fourths led 14-0 at half time with Nedlands scoring their points late. Coach and prop John Reti opened the scoring with a try and other tries went to Garry Rutene, Hayden, Charlie and Goose, along with others who won't see their names in print and Beau kicked one or possibly more conversions. Coach John Reti said he was proud of the boys but added he would like them to pay their fees. Man of the Match was prop Mike Te Aute.

## 5ths v Wanneroo

Fabulous FIFTHS stumbled to an uncharacteristic 10-0 loss to Wanneroo, and coach and halfback Mike Jones was not in a talkative mood after the game. The backs lacked commitment although the forwards again did the business. Noteworthy performances came from wing Noel Spittal who spat the dummy, threw down his rattle and kicked his cot to pieces over some important incident. In a club first, prop Alan Tubs Thomas enabled his team to be marched ten metres four consecutive times, and then to make matters worse accidentally knocked ageing ref Hugh Creasy off his feet in his desperate attempts to get back onside. Tubs later threatened the press of dire consequences if this record-setting achievement was leaked but freedom of speech cannot be denied. We might also mention that ten yard penalties cost a carton apiece at Perth-Bayswater. Man of the Match was duly named as Tubs.

## 5ths v Mt Lawley

Fifths tried to get to Murdoch to help Fourths after a narrow 7-3 win over Mount Lawley, but a serious injury delayed the game so much they missed the start of Fourths. Darren Horne scored the try, loitering in the backs during a period of sustained pressure. Goose kicked the conversion from right in front. It was 0-0 at half time after Fifths managed to bomb three tries, including a brace of non-tries from ace wingers Noel Spittal and Mike Allatt, when the hands and the ball were involved in a non-retention situation. Master coach and strategic wizard Mike Jones was moved to fullback by popular demand where he could do less damage. Man of the match was flanker Caig Robertson.

## 5ths v Southern Lions

FIFTH GRADE defeated Curtin by a forfeit.

## 5ths v Palmyra

FABULOUS FIFTHS restored their trek to the finals with a good 22-7 win over Paly, despite an Asian invasion from a visiting Singapore team. They led 5-0 at half time. Darren Horne scored a try when the opposition dropped the ball and he seized it to sprint 40 metres to score. Flyhalf Goose kicked ahead, wing Noel Spittal added his boot to the ball and a tap penalty resulted, leaving Darren Horne to again collect the rewards and score the try. The third try came from a back line movement (in fifth grade? Outrageous!) and Ian Hogg claimed the honours. After Goose's boot went on strike Ian Hogg took over the kicking duties and booted two conversions and a penalty. The forwards excelled with strong scrums, driving Paly off even their own ball, based around the colts front row of Tom Lynch, Andy Keen and Alan Tubs Thomas (roughly 600 years between them). The lineouts were particularly superb, although Wayne Japie Campbell relinquished his position to a new import, Geoff the pom. Considering the amount of ball the backs could have done more with it, although there were some complaints about the sunlight reflecting off the river. Man of the match was legendary coach and Welsh wizard Mike Jones.

## 5ths v Curtin

Curtin forfeited this game giving Fiftths a 25-0 win and five premiership points thank you very much.

## 5ths v University

The graceful athletes of FIFTH GRADE scored a inspirational 34-5 win over University, which is surprising since star player and wing Noel Spittal was forced from the field after two minutes. The team struggled on without him, tries going to Darren Horne, Ian Hogg, Craig Robertson, the two centres Jason and Mike who must remain clouded in mystery at this time, and some conversions by star coach and halfback Mike "Boyo" Jones, who celebrated the occasion by having his Dad win the sheep in a barrow raffle later in the night. The game was refereed by Bob Whitney, who again had a "blinder" with the whistle, although a family feud nearly broke out when Graham Whitney scored a try which Bob ruled had been held up. With only 3 penalties awarded the whole game, Bob is to be commended on his expert control of the game, his second for the day. Lock and El Presidente Steve Fink was also in the action with a big run that his fellow players described as a cross between a walk and a shuffle. Man of the Match was Graham Whitney.

## Colts v Southern Lions

In the only away game of the day, COLTS had a reasonable 17-0 win over Southern Lions at Trevor Gribble Reserve. They were slow to start but their forwards were too strong for Lions. All the points were scored in the first half. Tries were scored by halfback Mark Hill (2) and wing Elidio Nheu, with one conversion to fullback Michael Whitney. A good performance by Elijah at fullback after Michael left the field with an injury. Best back was inside centre Jackson Pomare and best forward was shared by flanker Aaron Johnson and Peter Dolan. Aaron Johnson was man of the match.

## Colts v Rockingham

COLTS put in a gutsy effort for a classic win with 14 men over Rockingham, 8-0. A single penalty to Mark Hill had colts ahead 3-0 at half time, but a try to a hobbling Michael Whitney gave Colts their winning margin in the second half. The entire team played superbly and coach Darrell Taylor gave big thank yous to Lyndon McKeagg who came on after a full game of thirds and Steve Salisbury of the Under 17s, for helping the team out. Captain Ashley Murphy led by example even though injured and Lou Doyle also starred, despite suffering an illness, as did Michael Whitney and Ben Taylor, both carrying injuries. Man of the Match was shared by Tim McLoughlin and Adam Johnson who both played their hearts out.

## Colts v Cottesloe

COLTS lost 20-0 to Cottesloe.

## Colts v Palmyra

COLTS suffered a 60-5 drubbing at the hands of Palmyra. Coach Darrell Taylor thanked the 11 players who turned out for the game and tried their hardest in impossible circumstances.

# Rugby

He praised the back line for their unflagging efforts, particularly Elijah and Dylan, and described the forwards' contribution as exemplary. Man of the Match was shared by captain Michael Kora and Tim McLoughlin, who went forward throughout the match. With five players out injured and a couple who couldn't be bothered turning up, colts were always in trouble in this game, but Darrell described it as a turning point for colts, saying that from now on a different philosophy would prevail in the team.

## Colts v Kalamunda

COLTS lost to Kalamunda 20-7.

## Colts v University

COLTS scored the upset of the day, knocking off University, the top team, with the closest of wins 7-6. Uni led 6-0 at half time through two penalties, but colts turned up the pressure in the second half and late in the game Ashley Murphy went over for a try with a forward drive following a scrum, converted by wing Steve Evans, and they held on for the win. Coach Darryl Taylor said it was a great effort

from the team with excellent defence from the backs and superb play from the back row of John, Lyndon and Johnno. The forwards performed well in the rucks and mauls and in the tight. A try to halfback Mark Hill was disallowed. Man of the Match was Ash Murphy, with special mention to the loose forwards, but the whole team deserve recognition for this superb performance.

# The Sin Bin

An enormous, 6 foot 5, 18 stone Kiwi is sitting in a deserted bar when a small, well-dressed, obviously gay guy walks in. After a while the gay guy plucks up his courage and sidles over to the massive Kiwi, and whispers in his ear, "How would you like to get a blow job?" The Kiwi leaps to his feet and gives the little poof a ferocious beating. He smacks the living daylights out of him all around the bar and hurls him into the car park, unconscious. The barman quickly serves up a beer as the Kiwi resumes his seat and nervously asks him what the problem was. The Kiwi mutters, "The bastard said something about getting a job..."

## **GREAT CRIMINALS OF OUR TIME Part One:**

- A man walked into Brookvale McDonalds at 8:50 am, flashed a gun and demanded cash. The clerk turned him down because she said she

couldn't open the cash register without processing a food order. When the man ordered a Big Mac, the clerk said they weren't available until 10:30 am as only the breakfast menu was on offer. Frustrated, the man walked away.

**CONGRATULATIONS and HAPPY BIRTHDAY** to Glyn and Mike Jones for the big dual birthday celebrations on July 20. On this hallowed day, life member and 5th grade coach Mike turns 50 while club icon Da turns 80. One or two beers in their honour may be consumed after training that night.

El Presidente tells me the latest New Zealand movie is called "Once Were Rugby Players" — but after the last few games against Scotland and Tonga maybe he's not so sure about that.

*Baby sitting the Ra Melekingi way*

# The Sin Bin

Here's one for Japie:

You're lost in the South African bush, it's Lion infested country and it's pitch dark, so you can't see a thing. You have a map of the area, a candle, one match and a mobile phone. You desperately need to see the map and get an idea of how to get back to camp. You strike the match to light the candle but to your horror the match breaks and is unusable...

What do you do???

Call Hansie Cronje...

He fixes matches.

## GREAT CRIMINALS OF OUR TIME

### Part Two:

- Two men tried to pull the front off an ATM machine in Adelaide's Henley Street by running a chain from the machine to the bumper of their Toyota Landcruiser, but instead of pulling the front panel off the Machine they pulled the bumper off their 4WD. Scared they were attracting attention from oncoming traffic, they left the scene and drove home, with the chain still attached to the ATM machine, their bumper still attached to the chain, and with their vehicle's license plate still attached to the bumper. No, they did not use a stolen car.

There's a Kiwi rugby fan, an Australian rugby fan and a beautiful woman sitting next to each other on a train. The train goes through a tunnel and everything gets dark. Suddenly there is a kissing sound and then a slap!

The train comes out of the tunnel. The woman and the Australian are sitting there looking perplexed. The Kiwi is bent over holding his face which is red from an apparent slap.

He is thinking "That the Australian must

have tried to kiss this lady, she thought it was me and slapped me."

The lady is thinking, "That Kiwi must have moved to kiss me and kissed the Australian instead and got slapped."

The Australian is thinking to himself..."If this train goes through another tunnel, I could make another kissing sound and slap that fucking Kiwi in the head again."

## INTERNET FEEDBACK:

The following are some of the messages we have received by e-mail through our Internet site.

As an expat West aussie, about to return to gods country I wanted to let you know how much I have enjoyed your webpage over the years. Putting aside the slight leaning towards Perth Bayswater (I played first grade for Wanneroo when we were decent) I have found the match reports to be well written and humorous. So thanks for keeping a keen rugby fan informed.

Rich Barton

Coach Pittsburgh Harlequinns USA

It's by a miracle, I found my name on your web site. I played for Perth-Bayswater many a year ago. I started playing when I was in primary school and we were picked up on Saturdays and taken to The Esplanade. I can't remember the fellows surname, but his first name was Dave and he coached us for a while. I played junior colts with Greg & Trevor Craib, Ray Salmon Jr. Our forwards were used to scrum down against the 1st grade, because we were a tight knitted group who had all came through the juniors together. I think we even won the title that year. That was the year I won the "Best Forward"

# The Sin Bin

title and even played a 1st grade game, all I remember is that I was about 16 years old and was playing with the big boys and a fight broke out and I shit myself thinking I was going to be clobbered by some big forward. Is Ray Salmons still with the club? If so then please pass on my regards.

Ray Mills

Thanks again for setting up the web page so that former members can keep in touch and I hope to hear from you soon.

Julian Cotter

Say g'day to the boys from the two pommies Matt "peeping pom" Mavir and Mark Gibson there in 1997. Hope you're winning. I like the site by the way.

Matt Mavir

How's it going Rick looks like the team is going OK. I have just been having a look how all

is going. I'm now in Chicago playing for a pretty good club in the Major league rugby comp get to travel around the states a bit which is cool. I have started work with some guys in website development they are going to be teaching me the in's and outs of it and I'm going to do some study as well. I'm searching for idea's at the moment to do a website for the club they have one already but fairly basic and also for a pub the club has just brought. I just getting the basic html thing going able to get around and read others but yet to put anything big together any advice for a starter. The Club here are always looking at foreigners as well so let me no if there is any players around of good calibre the team here is a good level so it would be for someone looking at state level or there abouts. I will keep an eye on the progress and hope all goes well. Say hello to all the boys especialy Skoolsey if he's around.
